SUBJ : Namstracing Course

25X1A9a

1. The meeting on the namstracing course is scheduled for 0930, 5 February, in 3 C 24. [REDACTED] will attend. The meeting should probably consider what the purposes of the course should be, and what procedure should be followed for developing an outline. (Perhaps someone like [REDACTED] should be given this task, with the understanding that the outline would be prepared in consultation with people such as [REDACTED]. Any broad guidance could be provided at the meeting on 5 February. Some possible questions are attached.

2. The proposed outline could, upon completion, be sent to the people who were at the 5 February meeting for review and comments, and possibly another meeting if there are substantial disagreements. The final proposed outline could then be submitted to the CS Records Committee Working Group (C/DEP/SG, C/RID, C/CI/R&A) and the DEP/TRO for approval.
